

Le Grand Bal de l'Europe 2019 Gennetines

From Friday 19th 9.30 pm to Friday 2nd August

30th Festival Gathering

For a fortnight, the strength, richness, diversity and magic of dance and music allow everyone to create their own Grand Bal in a spirit of freedom based on respect and consideration for others. The festivals are supported by regulation to ensure, in particular, collective security and respect for the neighbourhood.

*In this six-page document we summarize in part the philosophy and development of the Grand Bal de l'Europe. Read the entire leaflet and its supplements on our website www.gennetines.org. **Register if you want to participate in our meetings : this is obligatory, with presentation of your ID upon arrival.***

We warmly thank the artists, organizers and participants who have built the Grand Bal de l'Europe and invite you to bring to life and share the 2019 festival with us.

Bernard et Julie Coclet

Registration before 1 July is obligatory

Registration before July 1st allows better organisation and the best set-up.

You can register either online from the home page of www.gennetines.org or by mail by returning the registration form (see pages 4 and 5).

Length of stay

We advise against short stays. A short visit will not allow you to benefit fully from the festival community, or participate in its organisation, or fully understand its philosophy.

You choose the duration and the dates of your visit, the only constraint is respect for our organization.

No propaganda, no commerce

We are delighted to welcome the many dancers and musicians who accept the festival's organisational structure and who participate at our invitation in return for their expenses – but we do not accept any form of commerce, propaganda or recruitment on the festival site, on the campsites or in the parking areas. The sole exception is that of local traders who provide a service in the campsite at set times.

Timetable

For efficiency and fairness to artists, organisers and participants, we must respect all timetables.

Constraints

Our organisation is simple and transparent, easy to operate for our team of volunteers. It is rigorous for reasons of security and fairness. Please don't come to Gennetines if you are not in agreement with our operational principle as described below.

Festival Charter

*The Association's aim is that everyone should be able to express their own music and dance with passion and pleasure, and enjoy their own special moments. **Respect for and understanding of others are the foundations of Grand Bal de l'Europe.***

Dancing with others involves the consideration of real issues, as well as experiencing the irrationality of dance without holding back. The issues to be considered are artistic ownership (always asking artists for permission to record or film), reflections about sources, modes and practices used to transmit dance. It is about allowing oneself to be transported by the music and the dance, adopting a universal language of smile and gesture. It is to attempt to tame the dance.

All our members have the same rights and the same obligations. In creating Bal de l'Europe and setting the essential boundaries, the group's interest will always come first.

Respecting the codes of conduct and festival regulations is implicit in respecting the work of the Association and all those who carry it out.

The festival opens on Friday 19 July at 9.30 pm

Opening of Reception

- Opening on Friday 19 July from 11 am to 11 pm.
- From July 20 to August 2, Reception will be open from 9 am to 11 pm.

You can only buy your bracelet to enter the site or the campsites, or your meal and drink tickets, during this time slot.

Planning a day

● Dance workshops

On 7 dance floors you will be able to discover, dance, learn or practice many European dances. (There may be between 50 and 300 participants in a workshop).

The stars on the programme give an indication of the level of the workshop (* : easy, ** : intermediate, *** : advanced).

Everyone will have their own approach, background, priorities and dreams ; everyone should be able to find an appropriate level at which to participate.

● Express dance work-shops

Shorter workshops to introduce a particular dance, region or group of dancers in about 30 minutes.

● Exchange of ideas

For increased understanding of dance - researchers, musicians and dancers can share their experiences, reflections, conduct a debate or discuss a film or an exhibition.

● « Discovery » music workshops

Musicians or singers present a technique, an instrument, a way to play together.

● Presentations

Some evenings, at 9 pm, a short presentation to show some dances and inspire you to try them.

● Bals - Concerts

Seven bals at the same time starting at 9.30 pm or 10 pm. Then seven new bals to replace them between 11.30 pm and 0.45 am. To finish, there may be several acoustic jam sessions to dance through the night.

● Daily adjustments to the Programme

A planning session will be held each day between 2.00 - 2.30 pm at the event office. You will be able to propose other events.

Practical details

Identification

Everyone on the festival site or campsites or parking areas must wear a festival identification wrist bracelet. Entry will be monitored 24 hours a day, on all parts of the festival sites. You are requested to show the bracelet to the gate personnel each time you enter any part of the festival site and to any of the festival personnel on request.

Smokers

Be watchful, take care of others, do not smoke or vape near dance or meal places.

Instrument security

The "consigne" is a free safe-keeping service for instruments available from 9.30 am in the centre of the festival site. We recommend that you personalise the cases on the outside and put your name and address inside.

Bags

Do not leave any valuable item in your bags or clothes when you put them down to dance. Moreover, personalise them.

Children

The festival site is not designed for the particular needs of children. We therefore ask that all children under 12 should be accompanied by an adult at all times. Children under 18 remain the responsibility of their parents who will be expected to introduce them to the responsibilities of group living and to ensure that they respect the code of conduct of the Bal de l'Europe. They may, if they wish, join the Association.

First Aid Booth

It only provides first aid in case of medical emergencies. A list of pharmacies, doctors and hospitals is available. Bring along your first-aid kit.

Animals

We are not able to accommodate pets at the festival for reasons of noise, hygiene and responsibility. Animals are therefore prohibited on the festival site, the parking lots and the campsites.

Medical certificate and insurance

We suggest that you consult a doctor to know if you are able to practice dance during the festival.

We also strongly recommend that you take an insurance policy to cover the physical injuries you are exposed to during your activities.

Car park and campsites

Car park and campsites are both situated on private property and are only available to participants wearing a festival bracelet. They will be available from 18th July and are free.

The campsite is on farm fields, near the festival site, provided with hot showers, toilets, drinking water taps, sinks for washing, and electric outlets for razors and hairdryers only.

Peace and Quiet and Safety on our campsites

Please drive slowly and use your vehicle as little as possible. Do not sleep in the car park. Speak softly and pay attention to your neighbours.

Our campsites are big enough to accommodate all the participants. We do not reserve any spaces, you will need to find an available space when you arrive.

All of us must respect the legislation and the festival regulations, and the inhabitants of Gennetines, where we should be as quiet as possible.

To ensure everyone's safety, the following rules are fundamental and must be obeyed **without discussion**. We give on this page other lodging possibilities.

- ▶ Sealed-off areas must be kept free for use by security or emergency workers.
- ▶ There must be a reasonable space between tents in order to prevent the spreading of fires.
- ▶ No dangerous or toxic products should be stored in tents.
- ▶ Our campsites do not cater for smokers or gas cookers (we recommend extreme caution on the part of smokers and cookers - they should have a fire-extinguisher and have a stock of water nearby their tent).
- ▶ Avoid camping or parking areas under trees. If you are beneath a tree, you must evacuate the area during stormy weather. The Association's insurance will not cover you if you have a problem.
- ▶ Please make sure your tent and other material are securely fixed.
- ▶ The grounds are bumpy and there is very little light or none. We recommend bringing your own torch and taking care when walking.
- ▶ The Association will not be held responsible if our rules are not respected (please check that you have personal insurance).

In case of litigation, only the courts of the district of Moulins are competent, and in case of difference the french text of this document will take precedence.
