For a fortnight, the strength, richness, diversity and magic of dance and music allow everyone to create their own Grand Bal de l'Europe in a spirit of freedom based on respect and consideration for others. The festivals are supported by regulation to ensure, in particular, collective and individual safety and respect for the neighbourhood.

We invite you to read the full description of our organisation.

We warmly thank the artists, organizers and participants who have built the Grand Bal de l'Europe and invite you to bring to life and share the 2024 festival with us.

Festival « Grand Bal de l'Europe » Charter

The Association's aim is that everyone should be able to express their own music and dance with passion and pleasure, and enjoy their own special moments.

Respect, debate, solidarity, a culture of consent and experimentation are the foundations of the Grand Bal de l'Europe.

At Gennetines, we touch base with the irrationality of dance, we question artistic ownership, the sources and methods of transmission of dance. With rigour, kindness and humour, our aim is to produce quality dance that is accessible to as many people as possible.

All our members have the same rights and duties. In building the Grand Bal de l'Europe and respecting its constraints, the collective interest is always paramount. Respecting the codes of conduct and festival regulations is implicit in respecting the work of the Association and all those who carry it out.

Gennetines geographical location

Gennetines is situated 300 km south of Paris and 10 km north of Moulins, in the Allier Department.

The Grand Bal de l'Europe takes place on an old Bourbonnais farm, Les Gauthiers, situated on the D288, halfway between the villages of Gennetines and Trévol.

By train, the nearest station is 10 km away at Moulins-sur-Allier ; there is no regular transport to the festival site.

If you take a taxi, tell the driver you are going to the Grand Bal de l'Europe, « aux Gauthiers, 13 Route de Trévol », at Gennetines, on the D288

Car park and campsites

Car park and campsites are both situated on private property and are only available to participants wearing a festival bracelet. They will be available from 25th July and are free. The campsites are on farm fields, near the festival site, provided with hot showers, toilets, drinking water taps, sinks for washing, and electric outlets for razors and hairdryers only.

Peace and Quiet and Safety on our campsites

Please drive slowly and use your vehicle as little as possible. **Do not sleep in the car park.** Speak softly and pay attention to your neighbours.

Our campsites are big enough to accommodate all the participants. We do not reserve any spaces, you will need to find an available space when you arrive.

All of us must respect the legislation and the festival regulations, and the inhabitants of Gennetines, where we should be as quiet as possible.

To ensure everyone's safety, the following rules are fundamental and must be obeyed **without discussion.** We give on this page other lodging possibilities.

- Sealed-off areas must be kept free for use by security or emergency workers. There must be a reasonable space between tents in order to prevent the spreading of fires.
- No dangerous or toxic products should be stored in tents.
- Our campsites do not cater for smokers or gas cookers (we recommend extreme caution on the part of smokers and cookers – they should have a fire-extinguisher and have a stock of water nearby their tent).
- Avoid camping or parking areas under trees. If you are beneath a tree, you must evacuate the area during stormy weather. The Association's insurance will not cover you if you have a problem.
- Please make sure your tent and other material are securely fixed.
- The grounds are bumpy and there is very little light or none. We recommend bringing your own torch and taking care when walking.
- The Association will not be held responsible if our rules are not respected (please check that you have personal insurance).
